

TWELFTH ANNUAL TRI-CITIES CONSTRUCTION CAREER DAY

OCTOBER 2, 2018 - BENTON FRANKLIN FAIR & RODEO GROUNDS - KENNEWICK, WA

Dear Potential Sponsor/Participant,

The National Association of Women in Construction (NAWIC) is preparing for the 12th Annual Construction Career Day event.

We are asking you to be a part of the effort to grow the next workforce and address this looming shortage by sponsoring and/or participating in the Twelfth Annual Tri-Cities Construction Career Day on Tuesday, October 2, 2018 at the Benton Franklin Fair & Rodeo Grounds in Kennewick, Washington. The purpose of this career day is to engage students and educate them about the opportunities within the construction industry today. Last year, approximately 700 students from 16 different area high schools attended.

This year, we expect approximately 650 students to attend, and we hope you will support us in our efforts. We know that economic times are tough and appreciate any support you are able to offer. If you wish to sponsor and/or participate in this event, please return the appropriate form no later than Friday, September 14, 2018. This will allow us to include your company information in our advertising and promotional materials.

The primarily outdoor event will take place 8:00 a.m. - 2:00 p.m. and lunch will be provided to exhibitors and volunteers. If you choose to participate/sponsor, we encourage you to be creative and provide exciting, inspiring information or demonstrations that will spark students' interest and actively engage them. To reserve a space, please complete the enclosed registration form and return it to the address indicated by Friday, September 14.

For questions, please contact Erin Repp at erin.repp@hubinternational.com or at 509-844-2697. We look forward to your contributions and participation in this great event!

Sincerely,

Erin
